ABOUT THE PROPERTY

Cushman & Wakefield | Commercial Oklahoma is pleased to present a 280,000-square-foot office and manufacturing building on 85.18 acres. Previously home to **Seagate Technologies** and 3,300 employees, this property, which manufactured disk drives and provided customer support, is located in the western submarket of Oklahoma City, approximately 1 mile from the I-40 and Morgan Rd interchange and less than 1 mile east of the I-344.

The building offers a multitude of amenities, including a commercial kitchen and cafe, a large break room, and a workout facility, with a portion of the office space recently renovated. The property is set in a park-like environment with a central courtyard and over 1,100 secured parking spaces with a guard station. Additionally, the building boasts a power capacity of 1.8MW from the on-site substation, with 1,650kW backup generators, ensuring reliable and ample power supply.

This property provides a unique combination of space, location, and facilities, making it ideal for various business needs. With open-minded and well-capitalized ownership, the space can be modified to fit the tenant's requirements.
